

VIII Latin-American Myelodysplastic Syndromes Group (GLAM) Symposium and
III Latin-American MDS Foundation Symposium

18-October 2023

Chile

Wednesday October 18th

08:50 AM **Welcome.**

SESSION I – Biology and Classification of MDS

Chair: Carmen Cao (Chile) - Jheremy Reyes (Colombia) - Alicia Enrico (Argentina)

09:00-09:20	New insights into the classification of MDS.	Valeria Santini
09:20-09:40	Capturing the Biology of MDS.	Stephen Nimer
09:40-10:00	Where does Latin America stand in terms of molecular diagnosis of MDS?	Carolina Belli
10:00-10:30	Coffee Break	
10:30-10:50	Autoimmune disorders in MDS.	Matilde Boada
10:50-11:10	Germline predisposition to Myeloid neoplasm and Bone marrow failure	Elvira Velloso
11:10-11:30	Clinical cases presentation	Inés Gervaz
11:30-11:50	Questions & Answers (live)	

12:00-13:00

Bristol Myers Squibb *Satellite* Symposium

SF3B1 mutant MDS. From pathophysiology to management.

Dra. Valeria Santini

SESSION II - LOW RISK MDS

Chair: Valeria Santini (Italia) – Antonio Choque (Bolivia) – Valentina Goldschmidt (Chile)

13:30-13:50	New strategies to management of ESA failure MDS patients.	Pamela Baez
13:50-15:10	Current options for Low Risk MDS in Latin America.	Sofia Grille
15:10-15:30	Clinical cases presentation.	Alicia Enrico
15:30-15:50	Questions & Answers (live)	

15:50-16:00 Break

SESSION III - HIGH RISK MDS and CMML

Chair: Ninostchka Mendoza (Panamá) – Laura Morel (Paraguay) - Natalia Aranguiz (Chile)

16:00-16:20	Strategies to improve HMA based therapies.	Pierre Fenaux
16:20-16:40	How do we treat high risk MDS patients in Latin America?	Marcelo Iastrebner
16:40-17:00	New response criteria in High risk MDS. IWG-2023	Amer M. Zeidan
17:00-17:20	Current management in CMML.	Ximena Valladares
17:20-17:40	Clinical cases presentation.	Priscila Wernicke
		Sofia Sanchez
17:40-18:00	Questions & Answers (Live)	

18:00-18:15 Coffee Break

18:15-19:00

AbbVie *Satellite* Symposium

Panorama y Desafíos Actuales en el Diagnóstico y tratamiento de SMD

Dr. Fabio Pires

19:00 **Closing Remarks**

Thursday October 19th

08:00 – 10:00 AM

Breakfast with the Expert.

1) Diagnosis Tools in MDS.

Chair: Carolina Belli (Argentina), Elvira Velloso (Brazil), Beticina Vega (Ecuador)

2) MDS Clinical management- Transplant.

Chair: Fernando Barroso (Brazil), Jorge Arbelbide (Argentina)

11:00 *GLAM members meeting*
